Dear Mr. Lauer:

I wanted to personally thank you so very much for your excellent representation of me at my DUI preliminary hearing in Clinton County, Pennsylvania, on September 22, 2009.

I have to say that I am thoroughly amazed with your work; you are the quintessential professional who is tough under fire. You performed flawlessly and I am very pleased to have you as my representation.

I wanted to also thank you for having the charges dismissed. However, I do know that I have a long road ahead as the Assistant District Attorney very directly informed us that she will be re-filing charges.

Although I certainly wish this was over; I realize that there still remains a long way to go. I am certainly going to keep you as my attorney for this next "round" of hearings and trials.

Please do not hesitate to let me know when you want me to send payment to you for further representation. Also, if there are additional costs for services above and beyond please let me know so that I can forward you the payment.

As we already discussed; I am severely concerned about the loss of my job. At this point in time; it is the only source of income for my family. The loss of my job would be extremely devastating to not only myself; and **more importantly my family**. Again, I truly appreciate your help with this matter.

Again, I am truly thankful for your assistance with this matter. If there is anything more I can do; or if you need more information please do not hesitate to let me know. Thanks very much.

Sincerely,
