Mr. Lauer,

This is just a quick note to say "thank You". I don't know all the parlaying that went on but I do know that a key to my defense was you getting the police officer and the DA to agree to drop the refusal charge at the District Justice Office. If that had not been done I was guaranteed jail time, which was avoided due to your representation. Also most people think Judge Turgeon is extra tough on DUI offenders , especially with prior convictions for DUI as in my case. I am pretty sure that whatever conversations took place between the DA, Judge Turgeon, and you prior to my case being called was influential.

So again, thanks for your help and sorry but, I hope I never need you again.
